STEP 2 | Number of Licensed Offices

How many licensed offices does your parent entity operate in North Carolina that provides any type of in-home service, hospice, or community-based care? _____ If your parent entity has more than one office operating in North Carolina, other than the office listed in STEP 1, be sure to complete the form on the back page entitled, "Additional Office Membership".

The number of offices you indicate on the form, should match the number of licensed sites on record at the Division of Health Services Regulation. You may check this by going to http://www.ncdhhs.gov/dhsr/

STEP 3 | Membership Dues Calculation:

Dues are based upon a parent entity's gross revenue as defined below.

Definition of Gross Revenue

Gross revenue is defined as: the parent entity's revenue for the most recent fiscal year, from all offices in North Carolina, which provide in-home and community-based services of any kind. All agencies that are related by common ownership or control shall be treated as a single member for that purpose. Revenue is regardless of payor source. The following services in Section A-G must be included when calculating gross revenue. Please indicate gross revenue for each service category and total where indicated. (When calculating gross revenue, you may exclude the following items: contractual adjustments, bad debts; investment income, charitable donations, funds raised through special events and philanthropic dollars). As always, this information will be kept strictly confidential.

*****Note*** It is imperative that you answer each revenue section as accurately as possible. If a question does arise, additional information and verification may be necessary.**

A. Home Health & Home Care Services

This includes, **but is not limited to**, revenue received from: Nursing, Aide, PT, SLP, OT, MSW, nutrition, sitter, companion, homemaker, respite, home medical equipment (HME/DME), and supplies. Revenue is **regardless** of payor source, including Medicare, Medicaid, insurance, alternative or bundled payment models, PACE, Division of Aging & Adult Services and private pay. Also include PCS, PDN and CAP services (include non-mental health CAP services such as CAP/DA and CAP/C. CAP-I/DD revenue should be reported in section G).

Gross Revenue received from services defined in A above is: $ _____

B. Hospice & Palliative Care Services

This includes freestanding hospice in-patient and residential facility revenue, hospice routine home care services and Palliative Care, regardless of place of service. (*Do not include in gross revenue any general in-patient care provided through contract by a hospital or nursing home. Also, do not include nursing home room and board charges for hospice nursing home patients.)*

Gross Revenue received from services defined in B above is: $ _____

C. Case Management Services

This includes, but is not limited to: CAP case management, HIV case management and private case management services.

***Gross Revenue received from services defined in C above is*: $** _____

D. Supplemental Staffing Services

This includes revenue generated from providing staffing to other home care agencies and assisted living facilities (including adult care homes and multi-unit assisted housing with services). *Do not include revenues generated from staffing ICF's, SNF's and hospitals.*

Gross Revenue received from services* defined in *D above is: $ _____

E. Infusion Services

This includes revenue generated from, but not limited to: pharmaceuticals, infusion equipment, and Medicaid HIT

Gross Revenue received from services defined in E above is: $ _____

F. Adult Day Health, Day Care and Transportation Services

Gross Revenue received* from *services defined in F above is: $ _____

G. Mental Health Services

This primarily includes behavioral health or IDD services including CAP-I/DD, and any mental health service that requires a home care license for the provision of that service.

Gross Revenue received from services defined in G above is: $ _____

TOTAL for Sections A - G: $_____

Using the total from Sections A - G, calculate your annual dues using the following scale
