Getting back to basics is important when there are so many rules and regulations to be aware of in Home Care. This class will provide an overview of the DHSR rules and impacting laws for Home Care and can help supplement your agency orientation for your new employees or serve as a refresher for current employees, especially those in supervisory roles. The top deficiencies seen in DHSR Home Care Surveys also will be covered. Objectives:

- Home Care Licensure Rule Review
- Review of DHSR survey checklist
- Review Laws applicable to Home Care
- Review top deficiencies noted in DHSR Home Care Surveys
