

ICD-10-CM Code Updates Effective 10/01/2019

Webinar | August 21, 2019 | 3:00-4:30pm EST

The Association for Home and Hospice Care of NC is excited to bring you a webinar on the ICD-10-CM code Updates effective October 1, 2019.

Coding is a core element of Home Health, yet it is very complex under ICD-10.

The FY2020 ICD-CM final code set includes 273 new, 30 revised and 21 deleted codes as well as 98 Tabular Instruction changes.

This session will review the October 2019 coding updates. Changes and challenging coding areas will be reviewed. In addition, key parts of coding under PDGM will be reviewed- as beginning Jan 2020 the PDGM Clinical Groupings will be a key factor in coding and will have enormous impact to your agency.

Presenter: Sharon Litwin, RN, BSHS, MHA, HCS-D, is Founder and Senior Managing Partner at 5 Star Consultants, a national consulting and coding firm specializing in home care and hospice services since 2003. Sharon is a former ACHC and CHAP surveyor, performing Medicare-deemed surveys for over a decade. Sharon has been in the home care and hospice industry for over 25 years. In her consulting firm, Sharon assists home care and hospice agencies in providing quality, meeting regulations, ICD-10 coding, OASIS, increasing outcomes and Star Ratings, and having continued survey readiness. Sharon and her staff perform ICD-10 coding and OASIS reviews, Quality Assurance and Performance Improvement (QAPI), clinical record reviews, mock surveys, and help agencies across the country stay in compliance. Sharon is a regular speaker to education companies, state and national associations, and published author in industry-related publications.

The Association for Home and Hospice Care of North Carolina is an approved provider of continuing nursing education by the North Carolina Nurses Association, an accredited approver by the American Nurses Association Credentialing Center's Commission on Accreditation.
