

Find the services you need  
Purchased Services Program

# Industry-leading services portfolio.

## Lower costs.

## Better performance.

At Vizient®, we offer you a powerful tool for cost reduction – our purchased services portfolio. Using these contracts, you can reduce your annual costs by up to 15 percent on average. Lower costs increase your cash flow and allow you to focus more of your resources on delivering high-quality care and improving operations.

What services do you need? You may choose to tackle a specific program like reprocessing, address a larger issue like patient flow, or use contracts to provide wireless service discounts to your employees. Our purchased services portfolio is ready to help.

We connect extensive national contract negotiations, data and industry expertise to provide more than 180 contracts in these high-impact areas:

- Accounts payable audit and recovery services
- Asset liquidation and asset disposition
- Background check services
- Billing and collection service
- Capital equipment sourcing and planning tools
- Clinical and financial services
- Clinical equipment maintenance
- Commercial and promotional prints
- Courier services
- Data management solution services
- Dependent eligibility audit
- Distribution – facilities management
